---

## WORK HISTORY

---

**Purchasing Agent**, 06/2022 - 11/2025

**Caivan** – Ottawa

- Managed end-to-end procurement for construction materials, including lumber, HVAC, electrical, plumbing, hardware, fixtures, and subcontracted trades.
- Issued RFQs/RFPs, evaluated supplier bids, and negotiated commercial terms for long-term contracts.
- Achieved 8–12% cost reduction through strategic negotiation and vendor consolidation.
- Used Newstar and Excel forecasting models to reduce stockouts and eliminate material delays.

- Coordinated with project managers, site leads, engineering teams, and subcontractors to align delivery schedules.
- Processed high-volume POs, created SKUs, updated item databases, and maintained accurate procurement documentation.
- Oversaw multi-site delivery planning, expedited urgent shipments, and resolved supplier delays.
- Conducted supplier scorecards on delivery accuracy, product quality, and contract compliance.
- Reduced surplus inventory by 15% through forecasting and category management.
- Ensured compliance with procurement policies, building codes, and safety standards.

## **Supply Worker – Material Management, 2021 - 2022**

### **The Ottawa Hospital**

- Supported hospital-wide supply chain operations ensuring uninterrupted flow of clinical materials.
- Utilized SAP, Oracle, AS400 for order processing, stock movement, cycle counts, and replenishments.
- Responded to urgent STAT requests for ER, OR, ICU, and specialty units.
- Managed sterile, surgical, and temperature-sensitive medical products.
- Improved supply routing and reduced turnaround time by 25%.
- Conducted stock audits, expiry checks, discrepancy investigations, and documentation updates.
- Verified receiving documents, updated GRNs, and maintained ERP accuracy.
- Distributed 500+ SKUs daily to hospital departments with high precision.

## **Front Store Supervisor, 2019 - 2021**

### **Shoppers Drug Mart – Ottawa**

- - Supervised store operations & staff.
- - Handled replenishment and planogram accuracy.
- - Controlled shrink and supported cycle counts.
- - Trained staff and managed cash operations.

---

## **EDUCATION**

---

**Bachelor of Business Administration (BBA):** Supply Chain Operations & Management, 01/2022

---

## **ACCOMPLISHMENTS**

---

### **Caivan Construction Procurement (Annual Budget: \$2M) Ottawa Hospital Supply Optimization Project**

- Sourced materials, negotiated vendor contracts, and coordinated deliveries across multiple residential construction sites.
